DOUBLE LENGTH/EXPOSURE

Double up the length of display on the screen, OR
Double the frequency it is seen, and Save 25%.
(50% off your 2nd ad!)

For example take a 15 second spot and turn it into a 30 second spot OR have your 15 second spot appear every 5 minutes during the ad rotation instead of the standard once every 10 minutes.

TRIPLE LENGTH/EXPOSURE

Triple the length of display on the screen, OR
Triple the frequency it is seen, and Save 33%.
(50% off your 2nd and 3rd ad!)

For example take a 15 second spot and turn it into a 45 second spot OR have your 15 second spot appear every 3-4 minutes during the ad rotation instead of the standard once every 10 minutes.
